

## COMMUNITY WORKSHOP

# Balboa Reservoir Site Study

Join the San Francisco Planning Department, Public Utilities Commission and Office of Economic and Workforce Development for a second public workshop about the [development of the Balboa Reservoir's Lower Reservoir](#).

The City of San Francisco is proposing a mix of affordable and market-rate housing with a large open space on the site as part of the [Public Land for Housing](#) program. Join us at the second public workshop to share your opinion on public amenities which could best serve the community's needs.
